Evaluation Peer Learning Cohort

Please respond to the following questions

1.) Using the evaluation requirements in Section 682.220 of the WIOA regulations,

(a) describe your efforts to plan and/or conduct evaluations, coordinate on evaluations with your state core workforce program partners, and cooperate with Federal evaluations from the Departments of Labor, Education, and Health and Human Services; and

(b) describe how you or your partners have used methodologically sound evaluations and research to build or expand the use of evidence to improve your workforce development programs.

2.) Collectively, what do the program agency representatives and state and local partners within your state want to learn from your peers, evaluation subject matter experts, and coaches about using evaluations and research to build or expand evidence to improve your workforce programs?

3.) To what extent can your entire state team commit to participating in the planned activities described in the Evaluation Cohort's "Timeline of Activities"?
